---

### V4U Tracking Solutions Limited

*Software Developer Intern*

#### Mobile Application Development

- Built and deployed mobile applications for both iOS and Android using React Native..
- Integrated APIs and updated dependencies.
- Solved various errors and optimized app performance.
- Successfully deployed applications on the Apple Store and Google Play Store.

#### Responsive Website Development | 🌀

- Developed responsive websites using React ,Tailwind and Bootstrap

## Projects

---

### Locom Mobile Application | ▶ | *ReactNative*

- \* Developed and deployed the "Locom" mobile application for both iOS and Android using React Native.
- \* Integrated Firebase for backend services, OTP verification, chat functionality, and secure payment methods.
- \* Solved various errors, optimized app performance, and ensured robust database connectivity.
- \* Successfully published the application on the Apple App Store and Google Play Store.

### Developed and Deployed Responsive Websites, "Rddhoot" and "Nandaniimpex".

- \* Utilized React , Tailwind and Bootstrap for website development
- \* Created comprehensive admin panels for both websites using PHP Maker for content management.
- \* Ensured optimal performance and user experience across various devices and browsers.

### Time Track | 🌀 | 📌 | *MERN,React Native*

- \* Provides user login, registration, and daily attendance marking features.
- \* Allows users to view attendance by month or custom date range.
- \* Users can submit various leave requests (regular, outdoor, and short leave) and manage profile information.
- \* Admin dashboard enables administrators to manage leave requests, post notices, and add holidays.
- \* Displays monthly summaries and real-time attendance status for admins.

## Achievements

---

### Smart India Hackathon

*Software Development Engineer*

- \* Our team was selected in the college-level hackathon to solve **real-world problems** related to disaster management and emergency response. The project was proposed by the Ministry of Home Affairs.
